The following instructions, guidelines and rules must be noted in relation to the Online Summative Assessment:

- On the day of each of your Online Summative Assessments, you must access the Student Comms App to complete authentication before attempting the Online Summative Assessment. Authentication opens at 07h00 and closes at 11h00. You are encouraged to authenticate before the scheduled start time of 09h00 to avoid delays.
- All scheduled Online Summative Assessments will take place on MANCOSAConnect (<https://mancosaconnect.ac.za>)
- Students must access the OSA portal using their MANCOSAConnect login credentials.
- You must remain online for the full duration of your Online Summative Assessment (OSA).**
- Should you complete your assessment while not connected to the internet your work will NOT be saved.
- You must complete your OSA in the online answer booklet provided on MANCOSAConnect. Do not complete your assessment using MS Word or any other third-party application unless instructed to do so by MANCOSA.
- Do not attempt to open your assessment in multiple browsers / tabs / windows. Should you do this, your work will NOT be saved.
- Students are encouraged to save their work regularly to ensure that their work is not lost.**
- Students will require uninterrupted access to the internet in order to access the OSA.
- The Online Summative Assessment (OSA) is academically designed to be completed within three (3) hours. However, MANCOSA has allowed for an additional two (2) hours to accommodate for any connectivity, technical or other issues that may be experienced by students during the Online Summative Assessment session.
